

## "From Glory to Glory"

II Corinthians 3:16-4:6

The god of this world has brought blindness to men  
He covers their eyes lest they be born again  
The minds which believe not don't know they are lost  
They stumble in darkness not knowing the cost

The light of the gospel it led us to Christ  
The image of God for our sins sacrificed  
His light cut through darkness revealing His way  
He showed us His Word and the veil took away

From glory to glory our likeness is changed  
And into Christ's image as God has ordained  
The Spirit of God by the pow'r of the Lord  
He shows us God's glory when we read His Word

We preach not ourselves but Christ Jesus the Lord  
And ourselves your servants by God's Holy Word  
For God Who commanded the light which does shine  
Hath shined in our hearts giving knowledge divine
