

## "Hope Exists"

Hope exists because there's God  
Who doeth as He wills:  
All His plans are guaranteed;  
Each purpose He fulfills.  
We can rest upon His care—  
He knoweth all our needs;  
We are certain of His pow'r  
For we have seen His deeds.  
We submit our wills to Him—  
We know He'll do what's best;  
May our faith in Him increase  
As He leads through this test.
