

## **"Make Us Thine"**

Numbers

Lord in our midst be pleased to dwell  
And make us sep'rate unto You;  
May we be holy all our days;  
May You be pleased in all we do.

Please cleanse us now from all our sin--  
With water our hearts purify;  
Lord wash us so that we are clean  
And in Your presence sanctified.

We wait upon Your ev'ry Word;  
We keep Your charge as good recruits;  
We offer all we have to You;  
Your service we will execute.

Lord put Your Spirit now on us  
Lest our own courage ever break;  
Help us to wholly follow You  
And make us zealous for Your sake.

O Lord please bless us in Your care  
And let Your face upon us shine;  
Lord lift Your countenance on us  
And give us peace and make us Thine.
