

"My Inheritance"

I Peter 1:2-6

Elected by the foreknowledge of God
His Spirit sanctified me through Christ's blood
He's multiplied to me His grace and peace
He's blessed me with a hope that will not cease

Because Christ Jesus rose up from the dead
I know that all the words are true He said
He's promised to prepare for me a place
Where I can dwell with Him there face to face

Through Christ I have inheritance so grand
It's greater than my mind can understand
It's undefiled and fadeth not away
It cannot be corrupted any way

I'm thankful that He keeps me by His pow'r
Through faith unto salvation's finest hour
And now I have great reason to rejoice
For God in mercy saved me by His choice
