

**“O Lord God of Israel”  
I Kings 8**

As Solomon and David  
Before Thee lived in fear  
We want to see Thy glory  
We long to have Thee near  
No home on earth can hold Thee  
The heavens can't contain  
O God of all creation  
The world is Thy domain

*CHORUS:*

O Lord God of Israel  
There is no God like Thee  
Above in the heavens  
Or on the earth beneath  
Thy name is great  
Thy hand is strong  
Thou rulest earth  
With stretched out arm  
O Lord there is none else  
Like Thee

The Lord our God is with us  
He leaves not nor forsakes  
Gives rest unto His people  
Does all for His name's sake  
O Lord we are Thy people  
And Thine inheritance  
No word of Thine has failed us  
We're safe within Thy hands

*CHORUS*

Thy servants walk before Thee  
We seek Thee with our hearts  
Thy promises and mercy  
From us shall not depart  
Incline our hearts to seek Thee  
To walk in all Thy ways  
To keep all Thy commandments  
And all Thy words obey

*CHORUS*
