

**“Show Thy Servant”**

Deuteronomy 3

When I fear the place You lead me to,  
Cause my eyes to further gaze on You.  
Be near me throughout this journey’s length;  
Lift me up when I am without strength.

CHORUS

O Lord God--

Begin to show thy servant

Your greatness and Thy mighty hand;

No other god

Is there in earth or heaven

Who can do the works which You command.

When I fear the people all around,  
Cause my lips Your faithfulness to sound.  
You’ll deliver me from all my foes:  
None Your strength or pow’r can overthrow.

When I fear the weakness of my frame,  
Cause my mind to glory in Your name.  
I have seen the mighty works You’ve done:  
You give grace to help the feeble run.
