

"So that You Might Be Our God "

Leviticus

Help us Lord to walk in holiness
So we might be like You
Sanctify us through Your Holy Word
And make us clean anew

Christ's atonement covered all our sins
And saved us though defiled
Only He could bring us near to God
And make us reconciled

Jesus Christ the perfect offering
Unblemished without sin
Through His blood we have forgiveness and
A heart of flesh within

Teach us Lord Your ev'ry statute and
Your judgments and commands
Separate us from the world's allures
Its lusts and its demands

We will not bow down to idols
And will not profane Your name
We are consecrated wholly to
The spreading of Your fame

We are sojourners and strangers as
Upon this earth we trod
You delivered us from bondage so
That You might be our God
