

"The Art Worthy"

Revelation 4, 5

Heaven was opened to John by a door
So he could tell us of what was in store
For those redeemed by the blood of the Lamb
For those who worship and serve the I AM

CHORUS:

Thou art worthy O Lord to receive
Glory and honor for Your majesty
For Thou has created all things that we see
It was for Thy pleasure that all came to be

Lightnings and thund'rings are heard 'round the throne
As angels worship and bless God alone
Glory and honor thanksgiving they raise
Unto the One Who deserves all our praise

Lion of Judah redeemed us to God
From ev'ry kindred and tongue by His blood
From ev'ry people and nation on earth
God in His grace gave to us second birth

Blessing and honor and glory and pow'r
Unto the lamb from His creatures each hour
Angels and saints song aloud the refrain
Unto the One Who forever will reign
