

"God Eternal, God Alone"

Self-existing, no beginning,  
God eternal, God alone;  
Our Creator and Sustainer  
Rules from heaven on His throne.  
Never learning, all things knowing,  
Calls each star by its own name;  
Never changing nor improving  
His perfections constant, same.  
Mighty Jesus has no equal:  
Full of strength and endless pow'r;  
Righteous, holy, pure in justice--  
None can hide in judgment's hour.  
Yet our Lord is full compassion:  
Gave His life to set men free;  
By His grace and tender mercy  
Giveth life eternally.
